

CLINIC HOURS

8 am - 6 pm, Monday - Thursday

8 am - 5 pm on Friday

For routine visits, please call four (4) weeks ahead. Please come early to update medical/insurance information.

▪ After Hours Care ▪

On-call staff available after business hours at GRH main #541-963-8421.

Cancelled/Delayed Appointments

PLEASE call us 24 hours in advance if canceling, so we can adjust schedules to best accommodate other patients, too. If you are delayed for an appointment, we would also really appreciate a call.

Health Care Advice

Our nurses work directly with providers to answer health care questions when appropriate, but there are conditions that require assessment by the pediatrician.

Patient Financial Services

We are happy to submit your insurance claim, but request co-payment or deductible at the time of service.

We also offer financial assistance for patients without health insurance.

Children's Clinic

WELCOME!

The **Grande Ronde Hospital Children's Clinic** is committed to providing the highest quality pediatric care for our community.

We strive to work in an environment of mutual trust and respect; in a compassionate and supportive manner. Our patients tell us they feel a positive difference the very first time they visit us.

We encourage our parents to play an active role in the medical decision-making process, and we encourage wellness through healthy lifestyle choices.

Dr. Kevin Grayson ▪ **Dr. Meldy Lim**
Dr. Hollyn Crowe ▪ **Dr. Sarah Rollin**
▪ **Dr. Michael Hetrick** ▪

Michael Hetrick, MD sees himself as a health resource and has years of experience to share. He believes that forming collaborative partnerships with the parents of his patients, helps everyone come out wiser.

Kevin Grayson, MD takes an individualized approach, tailoring what he does to meet the needs of each child. He is proud to work with a talented, patient focused team ready to help kids stay healthy.

Meldy Lim, MD believes no one knows your child better than you. Your insight combined with her medical expertise make a win-win combination for your child's good health.

Sarah Rollin, MD encourages an active role in emotional and intellectual development, regular physical activity, good nutrition, and growing together as a loving family.

Hollyn Crowe, DO believes that active listening, kindness and collaboration all play a vital role in your child's health. She works hard to ensure your child's health is always her top priority.
